

CHRISTIAN ETHICS

Course Description: An introduction and exploration of the basic concerns and issues involved in ethical reflection, the Biblical and theological foundations of Christian ethics, and the response of the Christian to perennial and contemporary social and moral issues, with a view to equipping the student for ethical reflection in preaching, teaching and pastoral leadership.

Instructor: **Rev. Dr. Kris Tenny-Brittian**, serves as the Northeast Area Minister of the Christian Church (Disciples of Christ) of Mid-America where she works with a staff committed to effectively reaching and serving the pastors and leadership of over ninety churches in the twenty-seven northeastern counties of Missouri so that those congregations can effectively reach and serve their communities and beyond. Kris understands her mission in this life to be that of equipping, empowering, and encouraging sustainable transformations.

Beside Missouri, Kris has ministered in small and large churches in inner-city, suburban, town, and rural settings in Georgia, Kansas, and Washington state. She has also served as a consultant, coach, and seminar leader; has founded two community helping agencies; and has facilitated the start of a number of ministries and self-help groups. Since 2000, Kris has been a part of the leadership team of the Bethany Fellowships, a ministry of the *Higher Education and Leadership Ministries* unit of the Christian Church that provides mentoring and spiritual leadership development for recently ordained Disciples serving in congregational settings.
