Text:

Chalice Introduction to the New Testament, Dennis E. Smith, editor (Chalice Press, 2004).

Students are encouraged to use a New Revised Standard Version Study Bible, such as: *The New Interpreter's Study Bible*; *The New Oxford Annotated Bible*; *The HarperCollins Study Bible*; or *The Oxford Study Bible*.

Highly recommended is: *An Introduction to the New Testament*, by Raymond E. Brown (Anchor Bible Reference Library, New York: Doubleday, 1997). This book is most helpful for NT study.

We will study the New Testament literature by reading the N.T. texts, the assigned textbook, and other supportive literature. By interacting with the readings, seeking answers to key questions, and through interaction and discussion, students will become better acquainted with the content and context of the writings, the themes of the Biblical drama centered upon Jesus, and the New Testament's bearing upon current issues and ministry. The overall purpose of the course is to enhance the student's understanding and use of the N.T. in teaching, preaching, and living faithfully in God's world today.
